

BAXTER BARN

Fall City, Washington

An Educational Coloring & Activity Book

The Baxter's came to Fall City in 1875. Over 100 years ago, they raised chickens for a living so they built a very large chicken coop. In 1955 the coop was not repairable so they took it down moved it across the road and built the Baxter Barn.

*For 73 years **The Grange** in Issaquah has supplied the Baxter's farming needs. The Granges' support and first-hand knowledge of farming has been a tremendous help to us over the last two years.*
